

# Football Supporter's Hearse

The Ultimate Send-off for a Fan of Their Beloved Club & the Beautiful Game

About this unique service and why I only require a set donation to charity for its use

For those who in life passionately supported a particular football club, my football supporter's themed hearse would be perfect for their final journey by giving them the ultimate send-off any soccer fan could ask for and showing all in attendance their love for the club they supported in life.

The hearse carries the club's name and crest on its front, sides & rear. The coffin, which can be draped with the club's flag, rests on a deck of imitation grass. Bunting in the club's colours adorns the top of the rear & side windows and there are other items specially chosen relating to the club. Even the club's anthem can be played when the loved one's coffin is being taken from the hearse. This tailored tribute will leave a lasting memory for family, friends and fellow supporters attending.

I deem it an honour and a privilege to convey a loved one to their final resting place on behalf of the family, and for that reason I cannot accept payment in return for this service. Instead I ask that a donation is made in the loved one's memory to [Torbay Bikers for Kids \(Registered Charity No: 1200973\)](#) who raise funds to help improve the lives and/or education of children who are disabled or severely ill, living in Torbay and the surrounding area.

We currently use a black Daimler XJ 4.0 Super V8 hearse and not the Ford hearse in the photos. More football clubs are being added to the service, so enquire if the hearse can be themed to your loved one's club.
